

[CE Broker](#) is the official continuing education tracking system of the Louisiana State Board of Embalmers and Funeral Directors. The Board has provided you with a free Basic Account.

In order for a licensee to check their CE status, there are two (2) options; 1) Create a free basic account with CE Broker for immediate review of CE hours, or 2) A written request, by email or fax, will be required for the Board's staff to release information regarding CE status. Option two will require additional time for a response, therefore it is highly recommended that licensees create their free CE Broker account to review and track their CE hours.

CE Broker is 100% free to use, but licensees do have the option to subscribe to an upgraded account, which offers additional CE tracking tools outlined below.
