- The NBE consists of an Arts Exam and a Sciences Exam.

- Exam candidates are typically made eligible by the state licensing board.*
- The SBE consists of an SBE Arts exam and an SBE Sciences exam.
- Exam candidates who have passed the NBE are not typically required to take the SBE.
- The SBE is based on the same content outline as the NBE and is not state specific content.

FAQs

How does a candidate apply and schedule an exam?

- Exam candidates apply and submit the exam fee online at theconferenceonline.org. Once the application and payment are received, exam eligibility from the licensing board (or mortuary school) is verified. If all three items are received, scheduling instructions are emailed to the candidate within 2-3 business days.

How much is the exam fee?

- The fee to take the LRR is \$140.

Does The Conference provide testing accommodations?

- Yes, reasonable ADA accommodations are provided to qualified examinees who have documented disabilities and submit the appropriate forms.

Will a candidate receive their results at the testing location?

- Immediately after the exam, candidates receive their unofficial results with a pass or fail notification only; numerical exam scores are only released to licensing boards for licensure purposes. The Conference does not recommend numeric scores be shared with exam candidates.

When will our board receive exam results?

- Exam results are typically sent via secure electronic transfer within 2-3 business days following an exam. Once they are sent, they can be retrieved from the transfer system by your authorized transfer system representative(s).

Do I submit a new exam eligibility every time a candidate tests?

- An eligibility is only required for a candidate's first exam attempt; they will not need a new eligibility submitted to us to retake an exam.

After a Candidate Passes the LRR

RESULTS

- After a candidate completes an exam, an official copy of the result is submitted directly to the licensing board(s) indicated on their application for use in licensure purposes. Results are typically sent within 2-3 business days following an exam.

WALL CERTIFICATES

After a Candidate Fails the LRR

WAIT PERIOD

- There is a 30-day wait period between all LRR attempts. However, a new application and exam fee can be submitted at any time.
- Eligible candidates may sit for the LRR every 30 days; there is no limit on the number of attempts allowed in a one year time period.
