Prior work history at a funeral home before applying for an internship will not be accepted. An internship application MUST be submitted prior to the start of an internship.

Please review the FAQs for educational requirements and explanation of accreditation.

It is advised that you contact this office for verification of an acceptable educational program prior to starting the program to ensure that it will be accepted. There are many programs/courses available that

are for continuing educational purposes only and those program coordinators will not guide you to a specific state's regulations/requirements. CONTACT THE STATE BOARD FOR PROPER INFORMATION.

A supervisor must be named on the application. A verification will be required by the supervisor.

An intern may change employment from one funeral home to another but a notification MUST be sent to this office in writing with the date of leave, date of start at new employment and the name of the new supervisor.
