What are the requirements for removing human remains from another state transporting into Louisiana other than by airline?

The other state's agency will determine the regulations for removals made from that state.

What are the requirements for removing human remains from Louisiana transporting to another state other than by airline?

An out of state funeral establishment MUST contact a Louisiana licensed funeral establishment to make the initial removal and verification of the decedent. **LA R.S. 37:848 (D)(5)**. However, embalming is not required for a removal within a 24 hour period from the time of death for transporting out of Louisiana. **Title 51, Part XXVI, §103.**
